Some of our members leave this week on a mission trip, along with members of Calvary UMC, to work with Appalachia Service Project (ASP) in West Virginia. Along with them go our thoughts and prayers for a God-centered and fruitful trip. They will work to make the homes of needy families "warmer, safer, and dryer."

"ASP is more than a building program -- it's a relationship ministry. When you move to help those in need, God moves in you. And when you change the lives of others, they have a way of changing you."
