Welcome
by Mark Miller

Let's walk together for a while, and ask where we begin
to build a world where love can grow and hope can enter in
to be the hands of healing and to plant the seeds of peace

Chorus

Singing welcome, welcome to this place.

You're invited to come and know God's grace.

All are welcome the love of God to share

'cause all of us are welcome here; all are welcome in this place.

Let's talk together of a time when we will share a feast,
Where pride and power kneel to serve the lonely and the least,
And joy will set the table as we join our hands to pray,

Chorus

Let's dream together of the day when earth and heaven are one,

A city built of love and light, the new Jerusalem,

Where our mourning turns to dancing, ev'ry creature lifts its voice!

Chorus
